

An aerial photograph of a rugged coastline. In the top left, a white inflatable boat with a motor is anchored in the turquoise sea. A rope extends from the boat down to a rocky outcrop. On the outcrop, a wooden platform with a striped cushion sits. Two people are sitting on the edge of the platform, looking down. A wooden staircase with railings leads down from the platform to a lower level. In the foreground, a white patio umbrella is partially visible, and a yellow and white striped towel lies on the ground. The water is a vibrant blue-green, and the rocks are dark and jagged.
